

Praveen Thanvi

Software Engineer Intern

 Github |  LinkedIn |  Portfolio |  Email |  Phone

SUMMARY

Full Stack Developer skilled in **React.js**, **Node.js**, **Express.js**, **MongoDB**, and **.NET** with experience building scalable SaaS applications and AI-powered web platforms. Proficient in **REST APIs**, **SQL**, cloud deployment, and modern software development practices. Passionate about solving complex problems and delivering high-quality software solutions.

TECHNICAL SKILLS

- | | |
|---|---|
| • CS Fundamentals | Data Structures, Algorithms, OOP, DBMS, OS. |
| • Languages | HTML5, CSS3, Javascript, Python, C++, Java, C#, SQL. |
| • Frameworks & Libraries | React.js, Node.js, Express, Tailwind CSS, .NET, Matplotlib. |
| • Databases & Cloud | MongoDB, MySQL, Mongoose, Vercel, Netlify, GCP, AWS(S3). |
| • Tools & Developer Workflow | Git, Github, Docker, Claude AI, Postman, Vite. |

WORK EXPERIENCE

Software Engineer Intern

Dec 2025 - Feb 2026

During my three-month Software Engineering Internship at **Hypersoft Solutions**, I Developed and maintained Windows-based applications using **.NET** and **SQL**, resolving software issues and improving application reliability. Collaborated with senior developers in debugging, testing, and database management activities.

PROJECTS

Artiqs | Full-Stack AI Image Generation SaaS

[Project Link](#)

Engineered a full-stack **Software-as-a-Service** (SaaS) platform using the **MERN** stack and **Tailwind CSS** that leverages the **Clipdrop API** to transform text prompts into high-quality digital artwork. The application features a secure, **JWT**-based authentication system and a custom backend architecture designed to manage a dynamic, credit-based monetization engine for user balances and simulated subscription tiers. Successfully deployed the production-ready application by configuring cross-origin resource sharing (CORS) and environment variables across **Vercel** for the frontend and **Render** for the **Node.js** backend.

React Developer Portfolio

[Project Link](#)

A fully responsive digital resume developed with **React.js** and **Tailwind CSS** to interactively showcase my technical **Skills**, professional **Experience**, and software development **Projects**. Designed and Implemented theme toggle feature for Day and Night mode theme change, Making it's **User Interface** more Dynamic for best **User Experience**. The application is deployed seamlessly on **Vercel**, providing a fast and accessible comprehensive overview of my capabilities across web, cross-platform mobile, and data science domains through **Single Page Application** (SPA).

EDUCATION & CERTIFICATIONS

2025 - 2025	AI Foundation Certificate at Oracle University	Credentials
2023 - 2026	Bachelor of Computer Application at Lachoo Memorial College	Percentage: 83.62
2022 - 2023	Class 12th PCM CBSE at S. Vivekanand Govt. School	Percentage: 62.60
